**Notice of Executive Director's Recommendation to Deny
Petition for Relief from Vexatious Requester**

You are hereby notified that the Executive Director has reviewed the Petition for Relief from Vexatious Requester, dated November 8, 2023, filed by the Town of Easton ("Petition") in accordance with Conn. Gen. Stat. §1-206(b)(6).

Upon review, the Executive Director has determined that such Petition does not warrant a hearing because it fails to detail conduct that demonstrates a vexatious history of requests. In addition, the Petition is not sworn under penalty of false statement, as provided in Conn. Gen. Stat. §53a-157b, and therefore, does not meet the strict filing requirements set forth in Conn. Gen. Stat. §1-206(b)(6).

You are further notified that the Executive Director will recommend to the Freedom of Information Commission ("Commission") that the Petition be denied without a hearing, and that the Commission will consider such Recommendation at its regular meeting on August 14, 2024, at 2:00 p.m., at the Freedom of Information Commission Hearing Room, 165 Capitol Ave., Conference Room H, Hartford, Connecticut. **Please note that this matter is not arguable and will be addressed on the papers.**
